

National Flood Mitigation & Floodproofing Workshop

Post-Disaster Mitigation, Floodproofing, and Infrastructure Protection: A More Flood Resilient Society

August 14-17, 2017

Marriott Renaissance Woodbridge Hotel

South Iselin, New Jersey

Hosted by ASFPM

Workshop Sponsor + Exhibitor Opportunities

ASFPM is proud to host the National Flood Mitigation & Floodproofing Workshop in the region devastated by flooding during Super Storm Sandy. During this seminal event, attendees will have the opportunity to attend technical training sessions, hear from national subject matter experts in mitigation, floodproofing engineering, watershed management and resiliency, and tour flood-impacted areas featuring state of the art mitigation projects. We are offering an opportunity for sponsorships at various levels for this workshop where you will have lengthy opportunities to engage with clients, colleagues, local officials, and industry leaders.

A new feature this year is a Sponsor and Exhibitors Cracker Barrel Tuesday evening where sponsor tables will be visited in 15 minute increments, allowing sponsors time to answer questions and discuss their services.

We hope that your organization can support the workshop through attendance and participation as a sponsor or exhibitor. Questions should be directed to Jenny Seffrood at jenny@floods.org or [608-828-6329](tel:608-828-6329).
